## PRESS RELEASE

Over the last 54 years, Institute of Hotel Management, Mumbai has been a pioneer in the field of Hospitality & Hotel Management education. Each year students of the final year present a food festival, based on various cuisines. Following the success of the much talked about Japanese Food festival held last October, this year, the young enthusiasts of IHM, Mumbai, return to take Mumbai's palate closer to Norwegian shores with The Vikings Catch: A Norwegian Seafood Festival. The students intend to conceptualize, create and execute this event to near perfection....

The ingredients being flown in, not only add to the authenticity, but assure all to a true and complete...Norwegian experience. We invite all to be a part of the step that brings the countries together.

Approximately 80 guests per meal expected at the event which will be held from the 28<sup>th</sup> February, 2008 to 2<sup>nd</sup> March, 2008 for dinner on all the 4 days, as well as for lunch on Sunday, 2<sup>nd</sup> March, 2008.
