

## Events that make history -

### *Super Seniors Get Together 2007*

*IHM, Mumbai is honored to have its Alumni of 1958-1961 at the Institute on 14<sup>th</sup> December, 2007.*

*17 ex-students who passed through the portals of this pioneering hospitality education institute nearly 50 years ago are coming back to their beloved college! Their favorite Food & Beverage services teacher Mr. Timmy G. Ayre will also be present.*

*The Class of 1958, 1959, 1960 and 1961 includes names of the pioneers who have shaped the Indian hospitality industry. Just to name a prominent few would dishonor the rest as all have contributed to the then infant industry as top management and chefs in chain and stand-alone hotels; as entrepreneurs starting and running their own restaurants and catering outfits; and as hospitality educators and consultants. Some of them have even contributed to the industry in other countries such as Australia, New Zealand, USA and UK.*
